

## **Adrian Byron Burns**

A prolific performer, Adrian has recorded nine albums and has averaged over 200 concerts per year over recent years. Adrian has gained fame as a solo artist, both for his fabulous voice and for his incredible acoustic guitar work. He has garnered praise for his compositions and for the originality of his interpretations of songs by Hendrix, Lennon/McCartney, Robert Johnson, Muddy Waters and many others. Adrian is considered to be one of the most exciting performers around today, having been voted 'Acoustic Artist of the Year' in 1999 and 2000.
