

## Coming of Age Exhibition

This special exhibition documents 21 years of Mela in the UK since its launch in Bradford in 1988. For this project Bradford and Nottingham Mela have joined forces to deliver an exhibition of photographs, artefacts, and text exploring the historical and social context of Mela's over the past two decades. Featuring photography by Tim Smith, Nadeem Haider, Ashok Mistry, Alan Lodge, Bartosz Kali and more.

Share in this celebration and explore the 21 year history of Bradford Mela through visiting the exhibition at Cartwright Hall Art Gallery in Lister Park, Bradford, from 7 August until 7 November 2010.
