

1992

Move to July.

Dates: Saturday 4th & Sunday 5th July

Venue: Lister Park

The change in dates for the festival saw lighter evenings, if not better weather, and an attendance of around 120,000 people. The closing fireworks display was replaced by a stunning 'mascaletta' daytime pyrotechnic show by External Combustion.

Bhangra band Anakhi, who were just visiting the event, stepped in to save the day when headline act Alaap failed to appear.

Music from: Safri Boys, Bina Mistry, Cowboy Karpal
