Let the entertainment come to you! There's so much more to Bradford Mela than the performances on the stages -all around Peel Park you'll find entertainment popping up and roving about the site throughout the weekend. There will be everything from music, dancing, acrobats, comedy acts, stilt walkers and puppet shows for you to enjoy.

Movieplex

Look out for a mini-cinema showing a 'lost' work by legendary Indian filmmaker Shanta Rao Dutt at this summer's Bradford Mela festival. A new production from Nutkhut, the company that brought 'Bollywood Steps' to Bradford for the IIFA weekend, promises to give you a red carpet treatment and more than a few surprises during its screening of this mythical director's highlights from the past 100 years.
